CHINA'S TRADE.

America Should Maintain an Exposition of Her Goods in Shanghai.

WASHINGTON, Jun. 14.-Special.-In plea for the establishment of a permanent exposition in Shanghai for American goods, Consul-General Goodnow says;
"I need not impress it upon you that
Americans must now push more strongly than ever for the trade of China. You have seen the situation, its possibilities and dangers. If the trade goes into other hands now, it is lost to us for many years to come. Most of our manufactur-ers, having had a sufficient home mar-(which is the best in the world), have with the banking methods, the shipping nethods, the various laws in force, the limite, the superstitions, and the details he width, which is best suited for Ame-ican markets, although the demand here is for another width. It will be easily seen from this what

In the Edinburgh market, American
manufactures, with few exceptions, are
regarded as above the average in point quality. To be more specific, the cheapness; they are better for the money than like articles produced here or on the Continent. SISTERS OF ST. FRANCIS

Use Pe-ru-na With Wonderful Results.

THE FAVORITE REMEDY FOR COUGHS, COLDS, LA GRIPPE AND CATARRH.

ST, VINCENT'S ORPHAN ASYLUM, EAST MAIN ST, COLUMBUS, OHIO In every city and large town in the United States the Sister of Charity has become a familiar object. The Catholic Sisters-sweet messengers of charity ceaseless and indefatigable in their labors-move quietly and swiftly in and out among the people, receiving, dispensing, assisting and comforting, heat nor cold, fatigue or danger, deter them from their errands of mercy, They are to be found in palace and hovel; in the boulevard and brothel. Nothing daunts them. Nothing discourages them. Vast institutions of refuge for the homeless and hopeless have arisen in every city by their tireless labors.

By no means the least service they render helpless humanity is their dispensation of medicine. Their experience among the sick, and their anxiety to be of assistance to them, soon lend them to know the most efficient and safe remedics. It would be impossible that so popular and valuable a remedy as Pe-ru-na could have escaped their attention. Many letters have been received from institutions of this kind praising the benefit that Pe-ru-na has been to them. Following is a letter recently received by Dr. Hartman:

St. Vincent's Orphan Asylum, East Main Street, corner Rose Avenue, Columbus, O.

Dr. S. B. Hartman: "Some years, ago a friend of our institution recommended to us Dr. Hartman's 'Pe-ru-na' as an excellent remedy for the influenza, of which we then had several cases which threatened to be of a serious character,

"We began to use it and experienced such wonderful results that since then Pe-ru-na has become our favorite medicine for influenza, catarrh, coughs, SISTERS OF ST. FRANCIS. colds and broughitis. "St. Vincent's Orphan Asylum.
